

# How to access eLearnings on iPad?

## 1 Navigate to the EYU tab on your iPad

- From the home screen of the EYU app, tap the EYU icon at the bottom 'Menu Ribbon', which should take you to "About EYU" page.

## 2 Select "Learning Tab"

- From the EYU screen tap on "Learning Tab". This will take you to a page which lists out existing learning courses available within EY
- You probably will see all courses including WBL and classroom led training courses

## 3 Choose 'Mobile WBL' from list of "Activity Type"

- Form the 'Activity Type' dropdown list select 'Mobile WBL' to view list of current/open mobile courses

## 4 Select the course to register on your iPad

- You probably have to ensure that you have disabled Popup Blocker on your mobile device web browser. This could be done through your mobile device settings switched off 'pop-up blocker' for safari browser
- Select the desired course and tap on REGISTER NOW and confirm

## 5 Launch WBL

- Select the course again to LAUNCH it on your iPad. The WBL should open up on your mobile device web browser (Safari)

## Mobile enabled eLearning courses
