Advisory EYU App Download Instruction

Step 1: Get the EY App Store

1 **Navigate to the Client Portal on your mobile device**
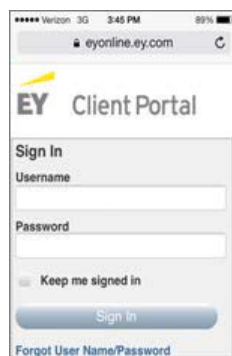

- From your mobile device web browser - go to https://americas.mobileapps.ey.com (for the Americas) or https://emeia.mobileapps.ey.com (for EMEIA, Asia-Pac, Japan)

- Click **PROCEED** to go to the Client Portal authentication window

2 **Log into the Client Portal**

- Login with your Username (EY email address) and Password (Extranet AD Password)

- You probably don't have an Extranet Password. That's fine, select Forgot Username/Password and one will be emailed to you. Then log in and follow the instructions
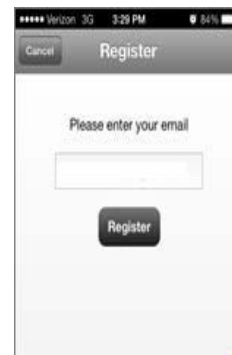

3 **Download the EY App Store mobile app**

- After successful login, select **"download app for iPad/iPhone (as applicable)"**
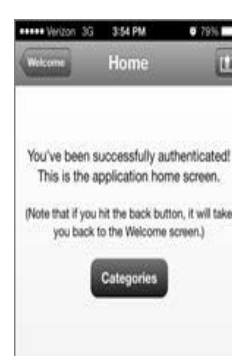

4 **Launch the EY App Store and register your device**

- When launching the app for the first time, you will need to register your device

- To do so, enter your email address and select "Register." A PIN will be sent to your email address

5 **Welcome**

- If your device registration is successful, a welcome screen to the EY App Store will be displayed

- From here you can access "Categories," which will list firm-wide mobile applications according to service line or function

EY AppStore User Manual

For more details read 'EY AppStore User Manual' to download the EY App Store and get the Global Advisory EYU App

Step 1: Open the Advisory EYU App

1 **Open the EY App Store and select "Categories"**

2 **Choose either the Advisory or TAS category**

3 **Select the Global EYU App**

- This will take you to a page that provides more details about the App as well as the ability to download and install the App

4 **Download the Global EYU App**

- Select "Download" to download and install the mobile application on your device

5 **Launch App**

- Once installation is complete, tap on the App to launch it (use Extranet AD Password)
